#### Jefferson County Public Hospital District No. 2

#### RESOLUTION 2018-18 PROPERTY TAX INCREASE RESOLUTION

WHEREAS the Board of Commissioners has properly given notice of the public hearing held November 28, 2018, to consider the Hospital District's current expense budget for the 2019 calendar year, pursuant to RCW 84.55.120; and

WHEREAS the Board of Commissioners, after hearing, and after duly considering all relevant evidence and testimony presented, has determined that Jefferson County Public Hospital District No.2 requires increase in property tax revenue from the previous year, in addition to the increase resulting from the addition of new construction and improvements to property and any increase in the value of state-assessed property, in order to discharge the expected expenses and obligations of Jefferson County Public Hospital District No. 2 and in its best interest;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Commissioners, that increase in the regular property tax levy, in addition to any amount resulting from the addition of new construction and improvements to property, refunds from the previous year, and any increase in the value of state-assessed property is hereby authorized for the 2019 levy of \$467,082.98 which is a percentage increase of 1 percent (\$4,624.58) from the previous year (see RCW 84.55.092).

ADOPTED and APPROVED by the Board of Commissioners of Public Hospital District No. 2, Jefferson County, Washington, at an open public meeting, the following Commissioners being present and voting in favor of the resolution.

APPROVED THIS 28th day of November, 2018

APPROVED BY THE COMMISSION:

RE: 10/23/2018 and 11/27/2018 Medical Executive Committee

appointments/reappointments and annual policy review recommendations for

Board approval 11/28/2018

#### C-0241

§485.627(a) Standard: Governing Body or Responsible Individual

The CAH has a governing body or an individual that assumes full legal responsibility for determining, implementing and monitoring policies governing the CAH'S total operation and for ensuring that those policies are administered so as to provide quality health care in a safe environment.

#### Interpretive Guidelines §485.627(a)

It is the responsibility of the governing body (or responsible individual) to appoint, with the advice of the medical staff, the individual practitioners to the medical staff. After considering medical staff recommendations, and in accordance with established CAH medical staff criteria and State and Federal laws and regulations, the governing body (or responsible individual) decides whether or not to appoint new medical staff members or to continue current members of the medical staff.

#### Recommended provisional appointment to the active/courtesy/allied health staff:

- 1. Ernst, Kate, ARNP Dermatology
- 2. Giesler, Jordan, PA-C Orthopedics
- 3. Doyle, Christine, ARNP Family Medicine

#### Recommended re-appointment to the active medical staff with privileges as requested:

- 1. Murphy, Ann, MD Medical Oncology
- 2. Nadig, Daniel, MD General Surgery
- 3. Voorsanger, Matthew, MD Cardiology
- 4. Tinker, David, MD Cardiology
- 5. Schwartz, Chrystal, DO FM/OB

#### Recommended re-appointment to the courtesy medical staff with privileges as requested:

1. Niedzwiecki, Matthew, MD – Tele-Psychiatry

#### Recommended re-appointment to the allied health staff with privileges as requested:

- 1. Hallowell, Char, PA-C Family Medicine
- 2. Sullivan, Heather, ARNP Family Medicine

Medical Student Rotation: n/a

Completion of 90 day provisional status: Lisa Galbreath, PA-C Port Ludlow Clinic

#### Pathologic examination of Tissue and Cytology

#### **POLICY:**

This policy pertains to specimens obtained during any procedures and at any location in the system. All specimens, cytology, tissue and non-tissue, with the following exceptions, will be sent to the pathologist for gross and microscopic review:

#### **PROCEDURE:**

- 1. The following specimens are exempt from routine submission to pathology. Their removal and disposition will be documented in the operative note and by the surgical department staff.
  - a. Bone segments removed and immediately used as part of autologous corrective or reconstructive orthopedic procedures (for example, removed from iliac crest and used in spinal fusion). (Specimens removed for suspected infection, tumor, vascular insufficiency or necrosis are not exempt from routine submission to pathology.)
  - b. Bone and related soft tissue removed as part of corrective or reconstructive orthopedic procedures which are not suspected of infection, tumor, vascular insufficiency, or necrosis are exempt.
  - c. Cataracts
  - d. Dental appliances
  - e. Grossly normal fat (e.g. liposuction, reduction surgery)
  - f. Foreign bodies, such as bullets, or other medico legal evidence that are given directly to law enforcement personnel
  - g. Foreskin from the circumcision of pediatric patients up to age sixteen (16)
  - h. Intrauterine contraceptive devises without attached soft tissue
  - i. Medical devices, such as catheters, gastrostomy tubes, myringotomy tubes, stents, and sutures that have not contributed to patient illness, injury or death
  - i. Middle ear ossicles
  - k. Orthopedic hardware and other radiopaque mechanical devices
  - Placentas from vaginal and Cesarean section deliveries (all placentas from fetal distress or where apgars are less than 6 at 5 minutes, are not exempt from routine submission to pathology.)
  - m. Any appliance or prosthesis when removal had been planned at the time of placement.
  - n. Rib segments or other tissues removed only for the purposes of gaining surgical access from patients who do not have a history of malignancy
  - o. Skin or other normal tissue removed during a cosmetic or reconstructive procedure that is not contiguous with a lesion.
  - p. Teeth, providing proper description is included in operative record and providing these teeth were the product of planned extraction
  - q. Therapeutic radioactive sources
  - r. Toenails and fingernails that are grossly unremarkable
  - s. Fluids aspirated for therapeutic purposes only, or repeat aspirations not requiring cytologic examination as determined by the performing physician (for example, hydroceles, therapeutic thoracentesis and paracentesis, fluids from drains, abscesses, renal cysts, urine, synovial fluid).
- 2. The following specimens are exempt from routine microscopic examination. These specimens should be submitted to pathology for gross examination. Microscopic examination of

## specimens on this list is performed at the discretion of the pathologist or when requested by the submitting physician.

- a. Accessory digits
- b. Bunions and hammertoes
- c. Extraocular muscle from corrective surgical procedures (example-strabismus repair)
- d. Inguinal hernia sacs in adults
- e. Nasal bone and cartilage from rhinoplasty or septoplasty
- f. Prosthetic breast implants
- g. Prosthetic cardiac valves without attached tissue
- h. Tonsils and adenoids from children
- i. Umbilical hernia sacs in children
- j. Varicose veins
- k. Any specimen may be sent to pathology by physician request

## 3. Tracking of those devices covered under the Safe Medical Devices Act of 1990 will be performed by the Surgical Department.

#### a. Permanently implantable devices:

- vascular graft prostheses
- vascular bypass (assist) devices
- implantable pacemaker pulse generator
- cardiovascular permanent pacemaker electrode
- annuloplasty ring
- replacement heart valve
- automatic implantable cardioverter/defibrillator
- tracheal prosthesis
- implanted cerebellar stimulator
- implanted diaphragmatic/phrenic nerve stimulator
- implantable infusion devices

#### b. Life sustaining or life supporting devices:

- breathing frequency monitors (apnea monitors)
- continuous ventilator
- CD-defibrillator and paddles

#### c. FDA designated devices:

- silicone inflatable breast prosthesis
- silicone gel-filled breast prosthesis
- silicone gel-filled testicular prosthesis
- silicone gel-filled chin prosthesis
- silicone gel filled angel chik reflux valve
- electromechanical infusion pumps

## Ongoing Monitoring of State License Sanctions, Medicare/Medicaid Sanctions and Medicare Opt-out Listing

#### **POLICY:**

Compliance with NCQA Standards to regularly monitor for State Licensure Sanctions,
Medicare/Medicaid Sanctions and limitations on licensure including providers
who opt out of Medicare

#### **PURPOSE:**

To ensure regular monitoring of Medicare/Medicaid Sanctions, limitations on licensure of providers and providers who opt out of Medicare

#### **PROCEDURE:**

At initial appointment, reappointment and on an ongoing *monthly* basis, the Medical Staff Office will obtain via Gemini Diversified Services opt-out information from the local Medicare Part B carrier (Noridian), State licensure sanctions and Medicare/Medicaid sanctions through the Department of Health, the Office of Inspector General (OIG), List of Excluded Individuals/Entities (LEIE) and the System for Award Management (SAM), Excluded Parties List System.

In addition, the Medical Staff Coordinator receives on a regular basis notification of sanctions or limitations licensure through subscription to the Department of Health News releases. All review results are documented in the Sanction Monitoring Log.

NCQA CR 6, Element A, Factor 1-2; HP Element C, Factor 2; Element D&E.

#### **Residents and Medical Students**

#### **POLICY:**

To manage and delineate the educational experience for residents, medical students, physician assistant students and nurse practitioner students.

#### **PURPOSE:**

To provide guidelines and clear understanding for Medical Staff Members who provide an educational learning experience for Residents and Students within Jefferson Healthcare. To define requirements and process for residents/students to provide patient care activities at Jefferson Healthcare.

#### **SCOPE:**

Applies to all members of the Medical Staff who provide an educational experience and the residents and students who receive the training.

#### **SCOPE OF PATIENT CARE:**

- 1. Scope of patient care activities shall be defined upon mutual agreement with the program and sponsoring physician.
- 2. The scope of patient care activities of the resident will not exceed privileges of the physician supervisor(s).
- 3. The resident/student may complete the history and physical exam, write orders, write progress notes, order diagnostic and therapeutic modalities and dictate the discharge summary. For students, countersignature by preceptor is required immediately before accepted as part of permanent medical record.

#### **DEFINITION:**

**Resident:** A person who has received a medical degree (usually either a <u>M.D.</u> or <u>D.O.</u>) who practices medicine usually in a hospital or clinic.

**Medical Student:** A person accepted into a medical school and undertaking an educational program in medicine towards becoming a medical doctor.

**Physician Assistant Student**: A person enrolled in a Physician Assistant Program.

Nurse Practitioner Student: A person enrolled in a Nurse Practitioner Program.

#### **RESPONSIBILITY:**

#### **Supervision:**

- 1. The attending physician of record is responsible for the supervision of the resident/medical student and must be an active member of the medical staff. The attending physician should provide instruction on a case by case basis.
- 2. The attending physician must countersign resident documentation within 24 hours and student reports immediately.
- 3. The attending physician is responsible for mortality summaries.

#### **Resident** Roles and Responsibilities in the hospital setting:

- 1. Notify the attending physician of any patients whom have been referred to the Emergency Department for evaluation and/or admission.
- 2. As patient arrives for admission, the resident notifies the attending physician.
- 3. Stable patients should be seen and evaluated by the resident with a reasonable time frame upon arrival on the floor if not seen immediately prior to arrival at the hospital. Admitting orders and a brief note should be written at that time.
- 4. After the patient is examined and a plan formulated, the resident is responsible for calling the patient's attending physician.
- 5. IMMEDIATELY refer all the following directly to the attending physician:
  - a. Calls regarding any potential ICU admission
  - b. Calls regarding any patient requiring a transfer (ground or air ambulance)
  - c. Calls regarding patients whom are complex with urgent problems, even though ICU admission may note be indicated
- 6. *Residents* are to review the chart, examine and evaluate their patients daily and document their findings.
- 7. On potentially unstable patients, the *resident* should alert the attending physician of the need for care management changes.
- 8. Consultation requests are to be made by the attending physician. The attending physician may designate that the *resident* should make the verbal contact with the consulting physician.9. ICU admission policy: If an ACU patient is assessed by the resident to need ICU care, the resident should contact the attending physician immediately for approval prior to transfer to the patient. Once approval is obtained, the resident should inform the ICU staff and should assist in management and evaluation until the attending physician arrives.

In the outpatient setting, residents shall be precepted and proctored as deemed appropriate by current GME and CMS standards.

#### **Students:**

Students may participate in patient care activities in accordance with a letter of agreement as above. Documents and verifications shall be as contained in section A and B of this policy as applicable to students. Reports must be countersigned by supervising physician immediately before they are accepted as part of the permanent medical record.

For scope of practice, please refer to "Scope of Practice for Students".

#### **PROCEDURE:**

#### **Documents and Verifications:**

The medical staff services department or designee shall:

- A. Obtain copies of the following documents:
  - 1. Washington State Medical License (if applicable)
  - 2. Resident's DEA certificate (or DEA certificate of facility)
  - 3. Immunization Record
  - 4. Signed Disclosure, Release of Information and Confidentiality Statements
  - 5. Approved scope of patient care activities (which shall not exceed sponsor's privileges)
  - 6. Dates of rotation and name of supervising physician(s)
  - 7. Copy of the residency program agreement
  - 8. Scope of Practice for Students
- B. Verifications and Queries will be done in accordance with CMS and GME standards.
- C. Upon receipt and verification of information, forward information to the appropriate chief of service, chief of staff and CEO for review and recommendation to approve the resident's scope of activities.
- D. Notify appropriate departments with resident information to include dates of rotation, approved scope of activities, and supervising physician.

### Letter of Agreement between Jefferson Healthcare and the Residency Program/Medical School:

Agreement must contain:

- Written description of the roles, responsibilities, and patient care activities of the participants of the graduate educational program.
- Identification of mechanisms by which the supervisor(s) and graduate education program director make decisions about each participant's progressive involvement and independence in specific patient care activities.

The agreement shall outline the responsibility of Jefferson Healthcare Active Staff same specialty physician(s) who will serve as sponsor(s) for the resident; assure that the resident is in good standing in the residency program; that the resident is in compliance with medical licensure requirements of the State of Washington; that the Residency Program will provide salary, benefits and malpractice insurance for the resident during this rotation; outline the sponsor(s) responsibilities, state that the residents are subject to all Jefferson Healthcare policies, rules and regulations and procedures of the program and those required by Jefferson Healthcare; state that any disciplinary action will be conducted by the Residency Program with cooperation from Jefferson Healthcare; state that Jefferson Healthcare shall have the right to discontinue the rotation of any resident whose performance, health, general conduct or failure to abide by any policy, directive, rule or regulation is determined to be detrimental to patients or the achievement of the program's objectives. This agreement will be signed by the Jefferson Healthcare Administration, Active staff sponsor(s), Director of Residency Program, and the Director of Graduate Medical Education at the residency program. The residency program will provide an approved scope of activities which shall be approved by the credentials committee, MEC and Governing Board.

#### **Medical Staff Oversight and Communication:**

The Medical Executive Committee shall oversee resident and student participation in patient care.

Any concerns with quality of care or incidents will be reported immediately to the Chief of Service and the residency program director/medical school will be notified.

## Scope of Practice for Medical Students, Physician Assistant Student and Nurse Practitioner Students during Rotation with members of the Active Medical Staff of Jefferson Healthcare.

#### Under the direction of a Preceptor, a Medical Student may:

- Perform histories, physicals, write orders, order diagnostic and therapeutic modalities, write
  progress notes, dictate discharge summaries and perform certain procedures. For billing
  purposes, attendings may only use the review of systems and past medical, family and social
  history obtained by the medical student. Reports must be countersigned by preceptor
  immediately before they are accepted as part of the permanent medical record.
- 2. Scrub-in and perform non-critical tasks under the direct supervision of the active medical staff provider.
- 3. Perform minor diagnostic procedure under the direct supervision of the active medical staff staff provider.
- 4. Accept verbal orders from the sponsoring active medical staff provider and so document in the chart

#### **Restrictions:**

- 1. Students may document orders in the chart but the orders must be co-signed with the sponsoring active medical staff provider before the order is taken off. Such orders will be documented with the both the student's and the provider's names attached.
- 2. A name tag must be worn by the medical student, identifying the medical school and the student's level.
- 3. Students are required to comply with Jefferson Healthcare's employee health program, Policy and Procedures, and provide to Employee Health Services results to TB skin test within the last twelve months, and documentation of MMR immunity, either through proof of vaccination or titer
- 4. Patient acknowledgement of and consent to the medical student's presence during any appropriate patient care activity is required and must be documented; the sponsoring physician or staff member must introduce the medical student to the patient and obtain verbal consent, wherever possible (based on condition of patient).
- 5. The student must inform their supervising provider when they are not proficient in a given procedure so that they may receive the necessary supervision.

l,	agree to comply with the terms outlined above.
Date:	
Signature	

#### **Practitioner Rights**

#### **POLICY:**

All initial credentialing and reappointing applicants are provided the Practitioner Rights policy as included in the application packet

#### **PURPOSE:**

The practitioner has the right to:

- Review his/her credentialing file
- Correct erroneous information
- Receive status upon request on his application or re-appointment application
- Expect confidentiality of all information obtained in the credentialing process, except as otherwise provided by law.
- Right to an Impartial, non-discriminatory review of credentials and related activities
- Timely notification of Credentialing Committee Decisions

#### **SCOPE:**

For initial appointments and reappointments

#### **REFERENCES:**
