FROM: Barbara York – Medical Staff Services  
RE: 8/27/2019 Medical Executive Committee appointments/reappointments and annual policy review recommendations for Board approval 08/28/2019

C-0241  
§485.627(a) Standard: Governing Body or Responsible Individual  
The CAH has a governing body or an individual that assumes full legal responsibility for determining, implementing and monitoring policies governing the CAH’S total operation and for ensuring that those policies are administered so as to provide quality health care in a safe environment.

Interpretive Guidelines §485.627(a)  
*It is the responsibility of the governing body (or responsible individual) to appoint, with the advice of the medical staff, the individual practitioners to the medical staff. After considering medical staff recommendations, and in accordance with established CAH medical staff criteria and State and Federal laws and regulations, the governing body (or responsible individual) decides whether or not to appoint new medical staff members or to continue current members of the medical staff.*

**Recommended provisional appointment to the active/courtesy/allied health/locum tenens staff:**
1. Atluri, Mahesh, MD – Tele-Radiology
2. Wildeman, Marcella, ARNP - Express Care Clinic
3. Moll, Steven, DO – Family Medicine Clinic
4. Shawky, Mona, MD – IM/Hospitalist

**Recommended re-appointment to the active medical staff with privileges as requested:**
1. Lynn, Richard, MD – Hospice Assoc. Medical Director

**Recommended re-appointment to the courtesy medical staff with privileges as requested:**
1. Cox, Patrick, MD – Tele-Radiology
2. Mank, Catherine, DO – Emergency Medicine
3. Murray, John, MD – Emergency Medicine
4. Squire, Michael, MD – Tele-Radiology

**Recommended re-appointment to the allied health staff with privileges as requested:**
1. Stickler- Ivie, Jodi, PA-C

**Medical Student Rotation:**
1. Cole, Molly, MS III, Primary Care Clinic (who supervises her in Hong’s absence?)

**90 day provisional performance review completed successfully:** n/a
Verification of Licensure, Malpractice Insurance and DEA Certificates

POLICY:

All members of the medical staff and allied health professional staff shall have current state license, DEA (when applicable) and malpractice insurance coverage.

PROCEDURE:

The Medical Staff Services Coordinator or designee will:

1. Periodically review Modio Alerts for expiring state licenses, DEA certification and malpractice insurance.
2. Send reminders to provider and office manager one month prior to expirations requesting renewal of expiring document and a copy if necessary.
   a. Query Department of Health provider license verification website weekly for license renewal and print verification. Note any adverse actions.
3. If license/certification documentation is not received one week prior to expiration, the provider will be contacted to provide new document(s) and reminded that current license/certificates are a condition of medical staff membership.
4. At least one day prior to expiration, a final call will be made to the provider and office manager informing him/her that the document is needed by the morning of expiration.
5. On the morning of expiration, the state licensing board, DEA and/or insurance company is called to verify renewal. If not renewed, the provider and office manager are notified by telephone.
6. The provider and office manager will be sent a letter notifying him/her that hospital privileges are suspended as of the license/insurance expiration date, pending receipt of current information and will be reinstated upon verification of renewal.
   a. DEA expiration: Provider will be notified that co-signature is required for Schedule II-V drugs.
7. Appropriate departments are notified.
8. At reappointment time valid DEA certificate will be primary source verified through the DEA website: https://apps.deadiversion.usdoj.gov/webforms/dupeCertLogin.jsp
9. Should a new provider's valid DEA be pending at time of Medical Executive Committee review for appointment, the provider will obtain signature from a credentialed practitioner with a valid DEA certificate until the DEA arrives. The Medical Staff Coordinator will facilitate this arrangement and document it in new provider's credentialing file.
Reappointments and Renewal of Clinical Privileges

POLICY:

All reappointments and the granting of/revision of clinical privileges are for a period not to exceed 2 years within the month of last reappointment.

DEFINITION:

The renewal/reappraisal of medical staff membership and privileges of a practitioner whose previous service on the medical staff has met the standard of patient care.

PROCEDURE:

I. The Medical Staff Coordinator or designee will:
   1. Provide the practitioner at least 90 days prior to expiration of reappointment with the following:
      a. Cover letter requesting completion of reappointment and/or privileges
      b. Application for Reappointment
      c. Copy of currently approved privileges
      d. New privilege forms
      e. Other forms as deemed appropriate
   2. If reappointment packet has not been returned within four weeks from issue, a reminder will be sent to the practitioner.
   3. If the reappointment packet has not been returned 6 weeks in advance of expiration of current appointment, a certified letter will be sent informing the practitioner that the appointment will automatically expire at the conclusion of the appointment period. Reinstatement would require a new application for appointment.
   4. The returned application and/or request for privileges shall be reviewed for completion and all necessary documentation. Privilege requests will be reviewed with those currently granted. Any questions, clarifications or additional information required, will be immediately referred to the practitioner.

II. Complete reappointment and or request for renewal of privileges includes at least the following:
   1. Specific staff category and clinical privileges requested. Any changes shall be noted. Requests for privileges new to practitioner shall follow policy New or Additional Privileges/Procedures.
   2. Evidence of current Washington State license.
   3. Evidence of current DEA registration (if applicable).
   4. Evidence of current professional liability insurance (coverage must meet at least the minimum requirements established by the Governing Board, Executive Committee and Medical Staff).
   5. Attestation of any physical or mental condition that could affect the ability to perform the privileges requested and duties of medical Staff appointment, with or without accommodation. See attached form.
   6. Evidence of continuing medical education obtained during the previous two years which relate in part to privileges granted and requested is not required unless requested by
Credentials Committee or Medical Executive Committee.

7. Documentation of any proceedings initiated or pending involving allegation of professional medical misconduct or completed proceedings involving findings of professional medical conduct in this or other states.

8. Documentation of any proceedings initiated, pending or completed involving denial, revocation, suspension, reduction, limitation, probation, or non-renewal of any of the following:
   a. License or certificate to practice any profession in any state or country
   b. DEA or other controlled substance registration/certification
   c. Membership or fellowship in local, state or national professional organizations
   d. Faculty membership at any medical or other professional school
   e. Appointment or employment status, prerogative or clinical privileges at any other hospital, facility or organizations; or
   f. Limitation, cancellation, imposition of surcharge on professional liability insurance

9. Documentation of any voluntary relinquishment of medical license or DEA or other controlled substance registration.

10. Documentation of any voluntary termination of medical staff membership or voluntary limitation, reduction or surrender of clinical privileges.

11. Documentation of any felony criminal charges pending and/or any charges during the past two (2) years, including their resolutions.

12. Signed and dated reappointment attestation, confidentiality, consent and release from liability.

13. Documentation of any malpractice claims or suits initiated, pending, or completed since practitioner’s last appointment/reappointment or granting of privileges.

14. Documentation of any claims or suits for alleged malpractice that resulted in payments by practitioner or on practitioner’s behalf by an insurance company (this shall include suits in which a judgment or settlement was made against a professional corporation of which practitioner is/was a member, shareholder, or employee and the practitioner was named in the claim or suit).

III. Verifications to be completed and information obtained:

1. Verification of current Washington State license and any evidence of disciplinary actions will be completed. Negative responses are referred to the Chief(s) of Service, Vice Chief of Staff and/or Credentials Committee Chair.
   a. Washington State license and current licenses held in other states are verified at initial appointment, at reappointment or renewal or revision of clinical privileges, and at the time of expiration of the license.

2. The National Practitioner Data Bank will be queried. Adverse responses are referred to the Chief(s) of Service, the Chief of Staff and/or Credentials Committee Chair.

3. Federal agency resources (Office of Inspector General, System Awards Management, Noridian) shall be queried for exclusion from participation from government sponsored programs (such as Medicare, Medicaid, Tricare, VA).

4. Patient Activity Information will be requested from other sources, when there is limited patient contact at the hospital (less than 3 patient contacts per year).
   a. Any practitioner with minimal activity at the hospital must submit evidence of current clinical competency and ability to perform privileges requested such as:
      i. a copy of his/her confidential quality profile from his/her primary hospital;
      ii. copy of his/her quality profile from a health care plan/managed care organization; or
      iii. recommendations from three (3) active members of the Jefferson Healthcare Medical Staff who are knowledgeable about the quality of the practitioner’s patient care.
      iv. Blinded copies of patient records (3) for peer review.
Failure of the practitioner to ensure necessary competency assessment information is provided shall result in the application being deemed incomplete with no further processing and considered a voluntary resignation.

5. The practitioner is responsible for providing any reasonable evidence of current ability to perform the privileges requested.

6. Information will be requested from any hospital or facility with or at which the physician had or has any association, employment, privilege or practice.

7. Verification of current insurance and claims history will be conducted.

8. Results of peer review, complaints and concerns, quality assessment and improvement activities and practitioner practice information will be considered.

9. Continuing medical education may be considered.

10. The Medical Staff Coordinator or designees will ensure that practitioner directories and other materials for members are consistent with education, training, certification, specialty, etc.

IV. Review and approval:

After collection of all necessary information the reappointment and/or request for privileges will be referred for evaluation, recommendations and approval as follows:

1. Chief(s) of appropriate service(s) and Credentials Committee Chair shall review the reappointment and or privileges application, credentials file, and quality assessment file and document their evaluation. When the Department Chief is being reappointed, the Chief of Staff or designee (i.e. Chief Medical Officer) and members of the department shall review the reappointment application, credentials file and quality assessment file and document their evaluation. Evaluations will be based on performance, conduct, compliance with Medical Staff Bylaws, Rules and Regulation and Policies and Procedures and includes the six general competencies of the ACGME and ABMS:
   a. Patient care as demonstrated in findings of ongoing and/or focused quality assessment/ performance improvement activities
   b. Medical/Clinical knowledge
   c. Practice based learning and improvement (use of scientific evidence and methods to investigate, evaluate and improve patient care – continuing education)
   d. Interpersonal and communication skills (with patients, families, and other members of healthcare teams)
   e. Professionalism reflected by a commitment to continuous professional development, ethical practice and understanding and sensitivity to diversity and a responsible attitude toward patients, profession and society
   f. Systems Based Practice demonstrated by participation and understanding of established systems and the ability to apply this knowledge to improve and optimize health care

2. Evaluations and recommendations of the Chief of Service shall be documented and referred to the Credentials Committee Chair and the Medical Executive Committee.

3. The recommendations from the Medical Executive Committee shall be submitted to the Governing Board for final action.

4. A letter will be sent to the practitioner informing him/her of the Governing Board’s decision with a copy of the approved privileges within 60 days of the Board’s decision.

5. Approved privileges will be updated (manuals or electronic files) by Medical Staff Services personnel.

All Jefferson Healthcare practitioners have the right to an impartial, non-discriminatory, and confidential selection and review process. JHC monitors for and prevents discriminatory credentialing by the following:

JHC does not collect information on an applicant's race, ethnic/national identity and sexual orientation, religion, marital status or other status or characteristics protected under any applicable federal or state discriminatory credentialing.
Medical Executive Committee members are required to sign an annual attestation statement assuring credentialing and re-credentialing decisions are not discriminatory or based on applicant's race, ethnic/national identity, gender, age, sexual orientation, religion, marital status or other status or characteristics protected under any applicable federal or state law.

RCW 70.41.230 Duty of hospital to request information on physicians granted privileges
WAC 246-320-182; NCQA CR1, A12; CR1, Element A, Factor 7
Telemedicine Services

POLICY:

Jefferson Healthcare (originating site) will grant credentialing and privileging of all telemedicine providers through an agreement with the 'Medicare participating' distant site or a telemedicine entity and will rely upon the credentialing and privileging decisions made by the ‘Medicare participating’ distant site or telemedicine entity when making recommendations for appointments/re-appointments. For non Medicare participating sites the CMS Conditions of Participation must be met.

The written agreement includes but is not limited to the following conditions:

- Distant site telemedicine entity medical staff credentialing and privileging process
- The provider is privileged at the distant site
- The provider holds license or is recognized by the state where the originating site (Jefferson Healthcare) is located
- Jefferson Healthcare has evidence of internal review of the distant site practitioner’s performance of these privileges and sends the distant site performance information for use in periodic appraisals (at a minimum patient complaints and adverse events).

Jefferson Healthcare Medical Staff Bylaws and Policies and Procedures for appointment, reappointment and granting of clinical privileges will be followed.

PURPOSE:

To establish guidelines for credentialing and privileging physicians who provide telemedicine.

DEFINITION OF TELEMEDICINE:

Remote licensed, independent practitioners who are responsible for patient care, treatment and services (e.g: providing official readings of images, tracings or interpretive studies, consultations) via telemedicine link.

Telemedicine sites consist of both an originating site and a distant site. An originating site is the hospital/facility where the patient is receiving care, whereas a distant site is the institution were telemedicine provider is located or telemedicine entity from which the prescribing or treating services are provided.
